

Sharing your Meta pages and Pixel with Designs by Zal, LLC

Please add DBZ as a partner by following these steps using your Facebook Business Manager account:

1. Please go to **Business Settings** <https://business.facebook.com/settings>
2. Click on **Partners** on the left
3. Click on the blue bottom **"Add"**
4. Select **"Give a partner access to your assets"**
5. **Business Manager ID: 219383558920146**

Once you add **DBZ Business Manager** as a partner select the pattern and click on **"Share Assets"**

Once added, please provide us give access to the following assets:

- Facebook FanPage
- Instagram Account
- Catalogs (if any)
- Pixel or Dataset

Refer to the image below

Assign assets and set permissions

Search & filter

☐ Select all

Assign permissions

See how the Page, content and ads perform.

Revenue

View and export Page Monetization and earnings data within Creator Studio only.

Partial access (business tools and Facebook)

Content, Messages, Community activity, Ads, Insights

Switch into the Page to manage things directly on Facebook, and by using tools like Meta Business Suite. System users can't switch into the Page or do some sensitive tasks.

Full control (business tools and Facebook)

Everything (except sensitive actions) ⓘ

Switch into the Page to manage everything except the most sensitive actions directly on Facebook, and by using tools like Meta Business Suite and Creator Studio. Give access to others and remove anyone from the Page.

Cancel

Save changes

Select your Facebook Page, Instagram Account, Pixel or Dataset, and Catalog (if any) and toggle all.
